

Department of Physics
Bengaluru Central University

Proceedings of the BOS meeting in Physics (UG) held during 17th to 25th July 2020 (Through circulation)

The syllabus (Physics) for Three year B.Sc., course (CBCS Scheme) prepared in the required pattern as suggested by the University along with the scheme and pattern of the question papers (To be implemented from the academic year 2020-2021) were sent to the members of Board of Studies for scrutiny, finalisation and its approval through circulation by mail (From 17th to 25th July 2020). The members have gone through the syllabus carefully and gave their suggestions and approval through the mail. The syllabus which was corrected for the suggestions was recommended for its submission to the University for its acceptance.
